500-600 attend pig roast

J.H. Rearick & Son hosted a pig roast for several hundred friends and customers at their lumber yard on Church Street in Dillsburg this past Saturday. John Rearick III said 500-600 attended.

According to Rearick the guests ate 277 pounds of pork, 86 pounds of beef, 1200 pounds of baked beans; 50 pounds of macaroni salad; 50 pounds of potato salad; 14 buckets of potato chips, plus cake and ice cream. Leftovers were taken to the Senior Citizen's Center.

Along with the big feed, games were played raising \$200 for New Hope Ministries.

"It was unbelievable," the younger Rearick said. "We're still on Cloud 9". It was just great!"

J. H. Rearick Lumber has been owned and operated by John and Mary Rearick, Jr., since 1949. Prior to that the lumber yard was owned by Rearick Jr.'s father. The business has been in continuous operation for over 100 years.

Who could this be in the Pink Panther suit? Come on, Mary, we know that's you in there!

Scholarship Awarded

The SICO Foundation has awarded four-year scholarships to the following graduates of Northern Senior High School: Suzanne Shaffer to attend West Chester University.

Each scholarship totals \$4,000.00 for the four-year period.

Each year The SICO Foundation awards 120 such scholarships to students who live in the service area of The SICO Company, one of the largest petroleum distributors in Pennsylvania, Maryland and Delaware. We are proud to say that The SICO Foundation now offers scholarships to those students who live in Southern New Jersey. More than \$4 million dollars have been awarded to over 2,000 students since 1951.

The scholarships are awarded to high school graduates who plan to attend Cheyney, Kutztown, Millersville, Salisbury, Shippensburg, and West Chester Universities; Delaware, Glassboro, and Stockton State Colleges and the University of Delaware.

Johnson takes fourth at Eastern Nationals

Steven Johnson, thirteen year old son of Steve and Gail Johnson of Ficks Road Dillsburg, recently placed fourth in the Middle Atlantic Eastern National Wrestling Championships at Kutztown College in Kutztown, Pa.

Steven started the competition along with over ten thousand wrestlers from the northeastern division. Only nine hundred wrestlers progressed far enough to compete at the national level at Kutztown College. The competition started at Cumberland Valley High School in Mechanicsburg when Steve pinned the defending national champion from the previous year. He finished that tournament in first place which led him to the regional tournament at Cedar Cliff High School in Camp Hill. With his ability to out think his opponent, he won two matches to put him into the finals against a wrestler from Three Springs, Pa. Steve had a tough match and

came up short 9-4 to put him in second place. This success at Cedar Cliff led him to the Eastern National Championships at Kutztown College. In the two days of wrestling, Steve won his first match 8-4 against a wrestler from Manassas, Virginia. This put him in the quarterfinals against a wrestler from Waverly, New York. Steve came up short 6-4 and this put him in the wrestle back bracket. With his determination, Steve made it past three other wrestlers. His big match was Sunday afternoon against a wrestler from Palmyra, New Jersey who had a season record of 69 wins and 2 losses. Steve had one of his best matches in his career upsetting his opponent 9-2 to put him into the consolation finals. Unfortunately, Steve came up short again against the same wrestler he lost to in the quarter finals from New York. Steve's was put him in fourth place, an outstanding effort by the Northern Middle School eighth grader.

Winner of the grand prize at the After-Prom party was Kim Moyer, center. Also pictured from left to right are NHS Principal Richard Dietrich; Linda Irwin, co-chairperson; Bill Wessel, owner of Wessels Used Cars; and Wanda Stiffler, co-chairperson.
